

# FIREBACK

The name Fireback is inspired by the Thai national bird, the Siamese Fireback, and also speaks to the fire-grilled cooking behind many of the restaurant's dishes.

Fireback's dishes are best enjoyed hot, straight from the grill and wok. They are served in the order that they are prepared by the kitchen.

Legendary Chef David Thompson brings authentic Thai flavours to Mumbai. While we have a chilli sign on some dishes, please ask your server for guidance as familiar dishes may be bold, fiery, and uncompromising.
